Jeanne Wilkinson Reflection Garden

Why a Reflection Garden?

The Reflection Garden is here for you, any patient, visitor, or staff member. A comfortable place to sit, meditate, talk with friends, and enjoy the relaxing atmosphere.

Would you like to purchase a personalized, engraved brick?

There is an ongoing fundraiser for The Garden. Personalized engraved bricks come in two sizes: a 4" x 8" brick for \$50.00 and an 8" x 8" brick for \$80.00. Special symbols, like a heart, are an additional \$5.00 each. These bricks can commemorate a loved one, recognize a special person or event, or whatever choice you might have for your customized engraving.

Order forms are available in the Hospital Gift Shop or by calling 518-773-5505.

Where is the Reflection Garden located?

The Garden is located on the first floor between the Hospital and the Medical Arts Building.

How can I support the Garden without purchasing a brick?

You can support The Garden by donating to the "Nathan Littauer Hospital and Nursing Home **Auxiliary**." Please be sure to earmark your check stating: "**Reflection Garden**." Donations will be used to maintain and grow our Garden.
